Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. §1.56 and in accordance with 37 C.F.R. §§1.97-1.98,  
information relating to the above-identified application is hereby disclosed. Submission  
of this statement is not to be construed as an admission that any of the documents  
submitted herewith are "material" to the examination of this application or the  
patentability of the invention, as the term "material" is defined in 37 C.F.R. §1.56(b), nor  
as any admission that the documents submitted herewith even qualify as prior art  
references with respect to the above-referenced patent application.

In accordance with §1.129(a), this Second Supplemental Information Disclosure Statement is being filed after the filing of the Request for Continued Examination on June 11, 2003 and before issuance and receipt of any official action subsequent thereto. Accordingly, applicant is of the view that no fee is required in connection with the filing and consideration on the merits of this Second Supplemental Information Disclosure Statement.

Copies of each of the materials listed on the attached Form PTO-1449 are enclosed herewith.

To the extent applicant's understanding as expressed above regarding fees may be erroneous and there are any additional fees required in connection with the receipt, acceptance and/or consideration of this paper and/or any accompanying papers submitted herewith, please charge all such fees to Deposit Account 50-1943.

Respectfully submitted,

Date: 20 January 2004
